Pain Center of Central Florida, P.A.

Eugene A. Melvin, Jr., M.D.

OUR PRACTICE: We specialize in interventional solutions for controlling chronic pain. **EDUCATION/CERTIFICATIONS:** Internship, Residency and Fellowship at Johns Hopkins Hospital in Baltimore Board Certifications in Anesthesiology and Pain Medicine. **AWARDS/HONORS:** UCF Outstanding Service Award, St. Jude Certificate of Merit for Education. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** Assistant Professor, UCF College of Medicine. Member of American Society of Anesthesiology, American Society of Interventional Pain Physicians, Florida Society of Interventional Pain Physicians, American Academy of Pain Management, Florida Medical Association, Florida Physician Association, Orange County Medical Society, Expert Medical Advisor for Division of Workers' Compensation. **GREATEST PERSONAL ACHIEVEMENT:** My decision to move from the field of Anesthesiology in 1996 to Pain Management in order to treat those who suffer from intractable pain, the number one reason why a person seeks out a doctor. **WHAT SETS US APART:** We treat patients with chronic pain in a comfortable office atmosphere, as opposed to a hospital setting, reducing cost and infection risk. **OFF HOURS:** Boating, tennis, gardening. **CHARITABLE WORK:** Visiting and treating elderly pain patient in their homes. Mentoring for UCF Pre-Medicine students and providing them understanding of the field of Pain Management. Community awareness/outreach programs at retirement facilities regarding a variety of painful conditions.
